Hands On Henna Class: is a 2 hour intensive learn how to use home kits and an applicator well enough to do henna/jagua on yourself and friends. You'll learn the aftercare, how to fill a cone, draw lines, fill in a design and make a transfer. Transfers allow you to work at a higher artistic level and produce a nicer looking design. This class is for those wanting to use home kits for fun and is \$35. Refer to the web site for more info.

Professional Artists Class is a 2 day instructional class for those wishing to do henna well enough to create income. This class goes deep into how to mix and buy henna and how to break down designs as well as create them at a level you can charge money. Classes are very small with one-on-one instruction. This class is \$480, comes with all the class materials. Included is start up or practice materials. A more complete description is on the web site.

Professional Artists Class -5days NEW* This class brakes the 2-day pro-artists class into 5 days for \$75/day, 2.5 hr. per class. There is an \$80 materials fee. Description is the same.
